Prayer Walk for Sublimity

There will be an adult prayer walk at Sublimity School at 7pm on the 21st of September. Join Corinth and the community to walk and pray for the students, the administration, and the Lord's safety and blessings for this school. Other churches will be praying for other schools in our area. First Priority has organized this event.

Corinth Community Fall Festival

Get ready for this churchwide community event! On Saturday afternoon of October 30th we will host the community on our grounds for a few hours of fall-themed fellowship.

There will be games, food, prizes and more. We will enjoy familiar friends and make new friends. The activities will take place largely outside, so start praying for good weather!

There will be many opportunities to volunteer. Stay tuned for more information in the weeks to follow.

Stay Connected

Please note the New Member board in the hallway between the office and the Next Step area. We have new folks who would love to meet you! If you are a member who would like to be introduced contact the church office.
